

Guide to how major stakeholder issues have been dealt with in the Final Report of the Financial System Inquiry (November 2014)

The table below addresses how the major issues raised in submissions have been addressed in the Final Report. It has been informed by the analysis undertaken by the Centre for International Finance and Regulation (CIFR) on the major issues raised by stakeholders in first and second round submissions

The table is not a feedback statement and all stakeholders should consider the Final Report.

Sector	Issue	Most relevant chapter/s	Page reference
Banking	Access to and cost of funding	Overview	15
		Resilience	41-59
	Competition in the banking sector	Overview	18-21
		Resilience	60-66
		Innovation	190-192
		Regulatory system	254-256
	Digital identity and client identification	Innovation	151-160
	Financial Claims Scheme	Resilience	37, 82-83
	Funding economic growth	Overview	14, 15
		Innovation	177- 180, 190-192
		Appendix 1	263, 264
		Appendix 3	283, 284
	Funding from overseas	Overview	15
		Resilience	41-59
